# Welcome to CedarWorks Multisite Sales Program

CedarWorks has been providing customized play solutions to families and businesses for more than 30 years working directly with our customers to make sure they get the perfect play system for their needs.

Our commercial indoor and outdoor playsets use beautiful design and materials that meet or exceed commercial safety standards to bring active play to any play area, and they are completely customizable. Commercial

playsets can also be designed to meet ADA requirements.

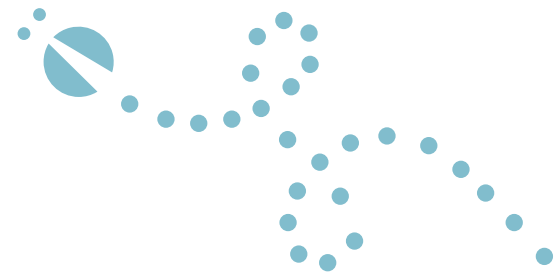

Recognizing that businesses with multiple sites have specific needs, our exclusive Multisite Sales Program offers a suite of benefits and services to help bring play to all your locations. Benefits include branding and customization options, dedicated services, and pricing tiers to make it easier to bring our play systems to all of your locations.
